1. Bring your test and answer sheet up to the front table and put them in the appropriate pile.
2. Get out your laptop.
3. Log in to Google Docs
4. Upload "Prometheus" myth, poem and 3S response
5. Go to Weebly.
6. Download "Comma Rules" document

Choose ONE of your 3S responses you want me to grade in Google Docs.

Rename the response: TITLE OF MYTH-GRADE

Go through the response and HIGHLIGHT colors the different elements of the response: **SPEAKER**, **SITUATION**, **SIGNIFICANCE**--make sure you have them all labeled! Add to your response if they are missing!

Then, look at your comma rules. Choose TWO rules to apply in your response (you may need to rewrite the sentences to make them work) and LABEL them like this:

sencesencesencesencesentence (COMMA RULE #).
